Subject: RE: Tyco/A DT contact - 15509SQ 28171 BP Turnstiles Container

Hi Mark,

I just wanted to drop you a note to say that our turnstile containers are in position and fully commissioned onto the site C-Cure system. This commissioning was problematic and would have certainly missed the deadline if your team had not put in the effort to complete and deliver on schedule. Those who have seen inside have had only good things to say as they look robust with a quality finish and will be a professional looking entry point to our plants.

Thanks again,

[REDACTED]
